

#### THE STORY

Nestled at the foot of the Palisades in Northern Napa Valley, the Lamb Vineyard has been a source of great pride for our family over the past quarter of a century. Named for Juelle's family, the vineyard was planted to Cabernet in 1982 and consistently yields small quantities of fruit that produce wine with a rare combination of rich concentrated flavors, velvet texture and elegance.

#### THE WINE

- 100% Cabernet Sauvignon, harvested October 22, 2011
- De-stemmed and double sorted; whole berry fermented in small, open-top fermenters
- Selected yeast fermentation with extended maceration; native malolactic fermentation completed in barrel
- Aged 22 months in 100% new French Oak
- Alcohol by volume 14.3%
- Bottle Date: June 2013
- Cases Produced (9.0L): 211

#### REVIEW

Inky ruby. Explosive aromas of blackcurrant, cherry-vanilla, pipe tobacco and candied rose, with a subtle licorice nuance building with air. Plush and expansive on the palate, offering sweet black and blue fruit flavors that become firmer and spicier with air. In a forward, fruit-driven style, with soft tannins folding smoothly into the wine's sweet fruit on the clinging finish. (91 Points) ~ Stephen Tanzer, *Vinous Media*
