

#### THE STORY

Cameron is named after the youngest member of the Fisher Vineyards family, Cameron Nelson Fisher, and appropriately comes from our younger vines ranging from 6 to 10 years of age on our Napa Valley Estate at the foot of the Palisades Mountains in Calistoga. We are proud to present a blend of the powerful precocious wines made from these vineyards, with an overwhelming sense of exuberance that is ready to impress!

#### TASTING NOTES

The 2014 Red Wine Cameron is one of the more exuberant wines in the range. Juicy red cherry, plum, spice, menthol and cedar are given and extra kick of intensity in this vintage. This is a surprisingly dense, concentrated wine for the year. These younger vines yielded an especially ripe, racy wine in 2014.
